

Last Will and Testament

Continued From Pg. 7

I, Rachel Singleton, leave my little brother, Bill Singleton, my good grades and my music skills...you need them. To Brooke Jackson and Ashley Nichol, I leave all of the memories from band and all of the inside jokes that nobody else understands. To the Warcry staff, I leave you the writing skills I have and one favor to ask for: never stop making fun of Neel. To Neel Patel, I leave you the knowledge that Bruce Lee is way better than Jackie Chan. To all my band buddies, I leave you the extremely attractive uniforms and the many hours full of sweat from practice. To Brittany Shaw and Kimberlee Reaves, I leave my Tae-bo skills, because you guys obviously don't have any...To Justin "Sally" Hannah, I leave you my insanity and our morning walks down the main hall. To Jaye McClead, I leave the fear that I caused in you...To Cody Jordan, you know the special "skills" you have! To Joseph Head, I leave the knowledge that scratching yourself with a spear hurts. To Jalissa Shakleford, I leave the ability to walk faster than a grandma. To Autumn Simms, I leave, with the hope of never having another one do it, the ability to follow too closely. To Tyler

Bryan, I leave you with a kick to the face and a hug. To Mr. Cater, I leave my guitar hero skills (you need them) and great memories from all of our band trips (dinosaurs?) To Mr. A, I leave what little sanity I DO have, a mysterious note about new weapons, and the truth about what happened in Paris. Lastly, I leave Mixon one free tail-kicking.

I, Brandon Manning, leave Brent Manning the ability to have a great Senior year. I leave Tyler Spradlin the "Three Shadigos" and nonchalant. To all the baseball team I hope ya'll have a great year next year and good luck. To Bryan Dunson I leave the ability to have a "smooth swing" and to not swing so hard. To Mike Weed I leave my parking spot. To Timothy Dewberry I leave all our left field talks (even though you might play second now). To all the underclassmen I leave a brand new school. To the Class of '09 I leave the ability to be successful in whatever you decide to do after high school.

I, Brittany Hayes, leave behind all my high school memories, the good and the bad ones,
